In Arras time and space can be manipulated—and so can people. Beautiful Spinsters work day and night in four coventries to ensure a perfect world, but above them all, at the top of the high tower, works the Creweler. Until the Creweler makes a decision to help a young girl escape. Now bound by the strands of the universe, trapped between her memories and mistakes, subject to brutal experiments, Loricel has one more impossible decision to make. *The Girl in the High Tower* is an original short story set in Gennifer Albin's Crewel World. The final book in the series, *UNRAVELED*, is available October 7th.
