## **Il mercato (Farsi un'idea) (Italian Edition)** Giuseppe Bertola

Tra gli economisti c'è chi pensa che il mercato sia in grado di risolvere tutti i problemi, ma tra la gente comune, i politici, gli intellettuali sono moltissimi quelli che lo guardano con sospetto se non con ostilità. In realtà il mercato è un meccanismo potente e delicato che deve essere compreso per essere apprezzato, e che ha bisogno di regolazione e manutenzione per funzionare bene. Questo volume, ripresentato in edizione aggiornata, ne descrive e spiega il funzionamento a partire da esempi tratti dalla vita quotidiana, e allarga la trattazione al commercio internazionale e ai mercati finanziari, sottolineando come sia l'interazione tra scelte private e regole collettive a consentire al mercato di generare benessere e anche, a volte, a farlo entrare in crisi.
