La cultura y la vida (Spanish Edition)

Sergio Vila-Sanjuán

La cultura y la vida (Spanish Edition) Sergio Vila-Sanjuán

Tradicionalmente la historia se escribía en las secciones de Política e Internacional de los diarios, dejando a la de Cultura el trabajo de las personalidades creadoras: su obra, estilos de vida, aspiraciones y andamiaje espiritual. Pero hoy sabemos que a menudo ciertas atmósferas de época quedan mejor explicadas ahí que en los vaivenes de un gobierno, y que la información cultural es uno de los grandes campos de innovación del periodismo.

Sergio Vila-Sanjuán, uno de los periodistas culturales más prestigiosos de España –además de novelista, ganador del premio Nadal 2013–, reúne catorce piezas que confirman que la vida cultural late tan o más fuerte que la vida a secas. Han sido elegidas tanto por su interés temático –son relatos cerrados, de apasionante lectura– como por su aportación informativa. De su mano nos adentraremos en el legendario Bucarest donde se cruzaban intelectuales judíos y fascistas; en el primer taller literario del ámbito hispanoparlante, que puso en marcha el novelista chileno José Donoso; y en la peripecia de los intelectuales españoles en Estados Unidos, auspiciados por el programa Fulbright... Visitamos el Museo Bodmer de Ginebra, paraíso del bibliófilo, y discutimos la teoría de la creatividad de Ferran Adrià.

También encontramos la leyenda de un asesino que inspiró a Flaubert su relato sobre librerías; la figura injustamente ejecutada que anticipó el enfrentamiento civil de 1936; la vida cultural de la burguesía en la Barcelona de posguerra; los primeros grandes éxitos de TVE; la explosión pop de los años sesenta –con el endemoniado rodaje de la película *Tuset Street* de por medio–, y el boom del diseño, las revistas modernas y los bares de noche en los ochenta...

Los catorce textos recogen eclosiones culturales puntuales pero que configuran un retablo selecto, girando en círculos concéntricos desde el mundo y España hasta Barcelona, y viceversa. Un viaje al pasado que nos permite entender cómo se han moldeado muchos aspectos de nuestro presente.
