## **Timetables of Jewish History: A Chronology of the Most Important People and Events in Jewish History** Judah L. Gribetz

From the origins of the Jews and the settling of the land of Israel to the current situation in the Middle East, this work covers the history of all the significant world events in which Jews have played a role. This volume displays entries chronologically and geographically, illustrating important people, significant events, and works of cultural interest in their historical context. The book also notes the outstanding achievements of individual Jews in politics, the arts, science, commerce and religious philosophy.
