I marmi (Italian Edition) Carlo Campani, Paolo Cecchini

Il luogo è la Firenze dell'inverno 1922-23, una Firenze gelida ed ostile, priva d'ogni grazia botticelliana e ritratta in bianco e nero: il bianco dei suoi marmi, dei monumenti e dei sepolcri; il nero del lutto e del fascismo appena salito al potere.

Due fatti mettono in moto la vicenda: il fallito trafugamento di un cadavere nel più grande cimitero fiorentino e il rinvenimento, settimane dopo, di un corpo mutilato ed irriconoscibile in un podere fuori città.

Conduce le indagini un giovane vicecommissario della Regia Questura, Bruno Settembrini. Uomo capace, leale servitore della legge, ma sofferente nel corpo e nell'anima per i postumi della Grande Guerra e per la morte della figlioletta, si vedrà costretto ad indagare in incognito ed oltre i limiti della legalità.

Settembrini s'imbatte in personaggi molto diversi, e però tutti inquietanti: superiori infidi, balordi trafficanti di cadaveri, un morboso manipolatore di salme, uno stravagante archeologo britannico, un avvocato fascista ed intrigante, una donna bellissima e pericolosa.

Su tutto aleggia la presenza della morte, che appare in forme ed in luoghi sempre diversi: chiese, cimiteri e sepolture, dolorosi ricordi di guerra, mummie e collezioni anatomiche, un tragico suicidio, reperti e referti necroscopici, esequie solenni ed una bara che cela un macabro segreto.

Scrupoloso nella ricostruzione di fatti, luoghi ed ambienti, I Marmi unisce agli elementi classici del giallo storico un'inusuale ricchezza di motivi e di rimandi letterari: un libro appassionante e che sorprende non solo per i colpi di scena, ma anche per le frequenti variazioni di ritmo e di stile.

"I Marmi sfugge sapientemente a ogni classificazione, assurgendo a opera unica che si pone in un affascinante confine di contaminazioni filologiche, culturali e storiche. Dialoghi dai quali nascono personaggi che si impongono all'attenzione del lettore, brani di comizi, di articoli di gazzette dell'epoca, di citazioni storiche e burocratiche portano a compiere un vero e proprio viaggio nel tempo."

That guide can make you to feel relax. This particular book I marmi (Italian Edition) was multi-colored and of course has pictures on there. As we know that book I marmi (Italian Edition) has many kinds or genre. Start from kids until teens. For example Naruto or Private investigator Conan you can read and think you are the character on there. Therefore not at all of book tend to be make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book for yourself and try to like reading this.

Tim Gonzalez:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this I marmi (Italian Edition) can make you feel more interested to read.
