Nazi Germany and the Jews, 1933-1945 Saul Friedlander

Nazi Germany and the Jews, 1933-1945 is an abridged edition of Saul Friedländer's definitive Pulitzer Prize-winning two-volume history of the Holocaust: *Nazi Germany and the Jews: The Years of Persecution, 1933-1939* and *The Years of Extermination: Nazi Germany and the Jews, 1939-1945*.

The book's first part, dealing with the National Socialist campaign of oppression, restores the voices of Jews who were engulfed in an increasingly horrifying reality following the Nazi accession to power. Friedländer also provides the accounts of the persecutors themselves—and, perhaps most telling of all, the testimonies of ordinary German citizens who, in general, stood silent and unmoved by the increasing waves of segregation, humiliation, impoverishment, and violence.

The second part covers the German extermination policies that resulted in the murder of six million European Jews—an official program that depended upon the cooperation of local authorities and police departments, the passivity of the populations, and the willingness of the victims to submit in desperate hope of surviving long enough to escape the German vise.

A monumental, multifaceted study now contained in a single volume, Saul Friedländer's *Nazi Germany and the Jews, 1933-1945* is an essential study of a dark and complex history.
