Course 7: The Bible: What is it, how was it given to us, and how should we read it? These six sessions combine simple prayer, Bible reflection in the lectio divina style, an article by a modern writer, and time for questions and reflection. By the end of the six sessions, it is hoped that participants will have learned how to make reading the Bible a part of everyday life, with the ability to read, pray, and listen to what God might be saying, allowing the words to change each participant.
