Reid Buckley

An American Family: The Buckleys Reid Buckley

An extraordinary and sweeping memoir of one of the most revered families in America -- the Buckleys

The Buckley name is synonymous with a unique brand of conservatism -- marked by merciless reasoning, wit, good humor, and strong will. Self-made oil tycoon William F. Buckley, Sr., of Texas, and his Southern belle wife, Aloise Steiner Buckley, of New Orleans, raised a family of ten whose ideals would go on to shape the traditionalist revival in American culture.

But their family history is anything but conventional. Begun in Mexico (until their father was expelled) and set against a diverse inter-national background (the children's first languages were Spanish and French) with colorful guest stars (such as Pancho Villa, and Norman Mailer), theirs was a life built on self-reliance, hard work, belief in God, and respect for all. It is no wonder the family produced nationally recognizable figures such as columnist and commentator William, Jr., *New York Times* bestselling satirist Christopher, and New York senator James.

With charm and candor, youngest son Reid, himself the founder of the Buckley School of Public Speaking in South Carolina, tells the enormously engaging and entertaining -- sometimes outrageous -- story of a family that became the mainstay of right-wing belief in our politics and culture. *An American Family* is an epic memoir that at once will appeal to conservatives, liberals, and moderates alike.

From reader reviews:

Grace McClellan:

Have you spare time for the day? What do you do when you have considerably more or little spare time? Yep, you can choose the suitable activity intended for spend your time. Any person spent their very own spare time to take a go walking, shopping, or went to typically the Mall. How about open or even read a book allowed An American Family: The Buckleys? Maybe it is to become best activity for you. You already know beside you can spend your time with the favorite's book, you can smarter than before. Do you agree with it has the opinion or you have some other opinion?

Michael Hilton:

Reading a reserve tends to be new life style in this era globalization. With examining you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their very own reader with their story or perhaps their experience. Not only situation that share in the guides. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors these days always try to improve their talent in writing, they also doing some exploration before they write with their book. One of them is this An American Family: The Buckleys.

Farah McCune:

Spent a free the perfect time to be fun activity to try and do! A lot of people spent their leisure time with their family, or their very own friends. Usually they performing activity like watching television, going to beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your current free time/ holiday? Could be reading a book might be option to fill your cost-free time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to try look for book, may be the publication untitled An American Family: The Buckleys can be good book to read. May be it might be best activity to you.

Jamie Leal:

Do you like reading a publication? Confuse to looking for your best book? Or your book had been rare? Why so many question for the book? But any people feel that they enjoy intended for reading. Some people likes examining, not only science book but in addition novel and An American Family: The Buckleys or perhaps others sources were given knowledge for you. After you know how the truly amazing a book, you feel would like to read more and more. Science guide was created for teacher or perhaps students especially. Those ebooks are helping them to bring their knowledge. In other case, beside science publication, any other book likes An American Family: The Buckleys to make your spare time considerably more colorful. Many types of book like this.
