## **He Has Shown You What is Good: Old Testament Justice Then and Now** H.G.M. Williamson

Can the Old Testament provide relevant principles for modern concepts of social justice? In this book, the author explores the meaning of Old Testament justice to discover its significance for us today. Concentrating on social justice he unearths the value and relevance of the phrase 'justice and righteousness'. Tracing this phrase and its context within and without the pages of Scripture Williamson elaborates an argument that passes from Abraham to Amos. He expounds a biblical ideal that he argues is not rooted in the legalistic Law of Moses, or necessarily an idealized history, but is a concept that is fluid, constructed in an organic appreciation for natural law. Today, citing our human rights is used as a justification for anything and everything, and excessive use has corrupted a defining ideal of mankind. Williamson has written an engaging and highly articulate book that exposes the relevance of the Old Testament as a corrective for this tendency; a mode of living that developed in accordance with the existence of the ancient Israelite. The ideal maintained a form, as derived from natural law, that was applicable to all creeds and ranks, and therefore is potentially relevant for us today.
