Preparing Collections for Digitization

Anna E. Bulow, Jess Ahmon

Preparing Collections for Digitization Anna E. Bulow, Jess Ahmon

Providing digital access to library and archives collections is becoming an increasingly widespread practice, and there is high demand for guidance on the process. This practical guide offers advice for every step of digitizing collections, covering such topics as selecting records, choosing equipment, dealing with damaged documents, and wider issues like the use of surrogates for preservations and the long term sustainability of digital access. This book is essential reading for anyone beginning or currently managing a digitization project

From reader reviews:

Linda Banks:

People live in this new moment of lifestyle always try to and must have the free time or they will get lots of stress from both day to day life and work. So , if we ask do people have time, we will say absolutely sure. People is human not a robot. Then we ask again, what kind of activity have you got when the spare time coming to a person of course your answer may unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative with spending your spare time, the actual book you have read will be Preparing Collections for Digitization.

Fern Marshall:

Your reading sixth sense will not betray you, why because this Preparing Collections for Digitization book written by well-known writer who really knows well how to make book which might be understand by anyone who all read the book. Written inside good manner for you, dripping every ideas and writing skill only for eliminate your hunger then you still skepticism Preparing Collections for Digitization as good book but not only by the cover but also from the content. This is one e-book that can break don't evaluate book by its include, so do you still needing one more sixth sense to pick that!?! Oh come on your looking at sixth sense already told you so why you have to listening to an additional sixth sense.

Laura Crabtree:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Preparing Collections for Digitization can make you feel more interested to read.

Donna Salerno:

A number of people said that they feel bored stiff when they reading a reserve. They are directly felt that when they get a half regions of the book. You can choose often the book Preparing Collections for Digitization to make your personal reading is interesting. Your own skill of reading proficiency is developing when you just like reading. Try to choose simple book to make you enjoy to see it and mingle the impression about book and reading especially. It is to be first opinion for you to like to open a book and go through it. Beside that the e-book Preparing Collections for Digitization can to be your brand-new friend when you're really feel alone and confuse in what must you're doing of that time.
