## **Revisitar o Concílio Vaticano II (Portuguese Edition)** Dom Demétrio Valentini

Em Revisitar o Concílio Vaticano II o autor nos devolve o Concílio Vaticano II em sua inteireza. Descreve o contexto eclesial que precedeu e seguiu o Concílio, o intenso envolvimento que suscitou, os grandes temas levantados, as ideias-chave que presidiram todos os assuntos abordados, o itinerário de cada documento produzido, o cuidado e o esmero colocados na elaboração e aprovação de cada capítulo. Existem hoje muitas ofertas de renovação eclesial que não possuem a densidade e o peso daquelas proposições feitas a cinquenta anos atrás, pelos bispos do mundo inteiro junto com o Papa. Daí a importância de revisitar o Concílio para perceber a importância que ele tem para a Igreja em nosso tempo, pois permanece válido e serve de referência firme para a verdadeira renovação da Igreja.
