Jump Terra Little

Killing her grandmother was a choice Helena Hunter made all by herself, but she wasn't thinking about the consequences of her actions when she pulled the trigger. Back home after eight years in prison, she finds that the little girl she left behind is now a teenage stranger who thinks her mother might be a monster. The family members who labeled her the black sheep want her to forget the fact that they all played a part in her downfall. And the wonder of being free again is overshadowed by the fear of a future filled with uncertainty.
