Shattered Secrets (In the Shadow of the Wolf #1) Diane Adams, RJ Scott

Jamie is human and wolf. Werewolves aren't a supernatural fairytale but a living breathing part of society. Although even with new laws it's not easy. Race relations and gay rights have shown struggles for acceptance. Add another species and it's a totally different world. Rob serves in a special police task force on wolf / human cases. He sees it all: fights, murders, and parts of human / wolf interaction people would rather ignore. Rob meets Jamie at a club, unaware the man is a shifter. But interspecies relationships are not on Rob's to-do list. When a case involving werewolf kidnappings lands on Rob's desk, Jamie seems at the center. Can Rob relinquish his prejudices and keep Jamie alive?
