Confronting Change, Challenging Tradition: Woman in Latin American History (Jaguar Books on Latin America) Gertrude M. Yeager

Understanding the role of women in Latin American history demands a full examination of their activities in the region's political, economic, and domestic spheres. Toward this end, historian Gertrude M. Yeager has assembled the multidisciplinary collection *Confronting Change, Challenging Tradition*.

The essays in this volume explore the ways in which Latin American women have shaped-and have been shaped by-the traditional practices and ideologies of their cultures. The selections are arranged in two sections: Culture and the Status of Women, and Reconstructing the Past.
