Diana Sarah Bradford

Soon to be the subject of a major motion picture starring Naomi Watts as the Princess of Wales

An icon remembered in death as vividly as she appeared in life, Diana, Princess of Wales, is one of the most enduring personalities of the twentieth century-and one of the most enigmatic. With exclusive access to all those closest to Diana, Sarah Bradford now casts aside the gossip and lies and takes us to the very heart of the royal family to separate the myth from the truth of the Diana years. With the authority missing from previous accounts, as well as remarkable new sources, *Diana* delivers a complex and explosive look at a woman who continues to fascinate.
