Starry, Starry Knight Janice Thompson

Steve Garrison is the newly elected mayor of the tiny town of Camelot, Tennessee. When his childhood friend, Amy Hart, comes up with a plan to revive the town's economy, he jumps onboard. The townspeople will perform the musical *Camelot* in the city's park, drawing in nightly crowds at the new outdoor theater. While excitement is high, talent is lacking. Amy casts several of the parts but is stumped when it comes to the role of King Arthur.

In desperation, she turns to Steve. Will he pull the sword from the stone and save the day? Steve reluctantly agrees...on one condition. In exchange for his willingness to wear tights, Amy must play the role of Guinevere. And when a handsome newcomer cast as Lancelot takes an interest in Amy, the stage is set for a little tension and, perhaps, love. Will they have the perfect "starry night" opening, or will the knights in Amy's life provide drama of a different kind?
