Surface Tension #2 Jay Gunn

Jay Gunn's magnificent eco-horror fable continues, as more clues to the horrific coral incursion are revealed! Yesterday, Megumi Suzuki and Ryan Fisher walked out of the waves – the first human beings to return from the primordial soup to which almost all of humanity has been reduced! What secrets are locked up in their memories, their genetic make-up, their now-blue skin? They didn't return alone... something horrific, mindless, monstrous, has followed them from the ocean. And it won't stop until they have been reunited... or destroyed! PLUS: in the past, see what brought Ryan and Shauna together – and the fault-lines that divided the island community even before the Sea Sickness hit! Witness the last days of life as we know it!
