The Dark Earth and the Light Sky

Nick Dear

The Dark Earth and the Light Sky Nick Dear

Deep in the Hampshire countryside Edward Thomas, disaffected husband, exhausted father and tormented writer, scrapes a living. In 1913 he meets American poet Robert Frost and everything changes. As their friendship blossoms Edward writes, emerging from his cocoon of self-doubt into one of the most influential poets of the twentieth century. But he makes the drastic decision to enlist, confounding his friends and family.

The Dark Earth and the Light Sky, premiered at the Almeida Theatre, London, in November 2012, delves into the life of this enigmatic and complex character in an era of change and destruction.

Nick Dear recently adapted the highly acclaimed *Frankenstein* at the National Theatre.
