1 Timothy: A New Covenant Commentary (NCCS) Aída Besançon Spencer

In a thorough and insightful commentary on Paul's letter to his co-worker Timothy, which the Apostle wrote before and during Nero's persecution, Aída Besançon Spencer carefully examines each part of the letter and reveals Paul's rhetorical and stylistic features, as well as placing the letter in the larger biblical, historical, social, and cultural contexts. How Paul's writing related to the ancient communities is enriched by original research gleaned from her explorations of key sites in Rome and Greece. In addition, the author emphasizes Paul's strategies of ministry with his co-workers and their community, while considering the role of women in the church. Throughout, Spencer presents an in-depth exegesis in a readable format enhanced by forty years of ministry.
