**Around the Gunnison Country (Images of America)** Duane Vandebusch

The Gunnison country, 4,000 square miles of high valleys, heavy snows, deep canyons, and 14,000-foot-high mountains, is one of Colorado's most beautiful regions. Located on the Western Slope of Colorado, the Gunnison country has a long history involving Native Americans, mining, narrow-gauge railroads, ranching, Western State Colorado University, and recreation. The region has also been influenced by nearby Lake City in the San Juan Mountains, Aspen in the Elk Mountains, and towns on the east side of the famed and historic Alpine Railroad Tunnel. Today, the Gunnison country still is beautiful and tranquil, hosting nearly 2,000,000 visitors yearly while remaining much the same as it was over 125 years ago.
