Breve historia del Imperio Austrohúngaro (Spanish Edition)

Carmen Moreno Mínguez

Breve historia del Imperio Austrohúngaro (Spanish Edition) Carmen Moreno Mínguez

Descubra su apasionante historia, económica y cultural, desde la coronación de Francisco José e Isabel hasta el despertar de los nacionalismos y desmembramiento final del imperio en la Primera Guerra Mundial.

Breve Historia del Imperio Austrohúngaro te acerca a la complejidad interna de un Imperio milenario en tiempos de transformación; la efervescencia de los nacionalismos en el seno de la monarquía, la excepcionalidad de las corrientes de pensamiento que revolucionarían el mundo intelectual y cultural europeo, o la tardía industrialización en lidia con una sociedad mayoritariamente rural y defensora de los modos de vida tradicional en paralelo al cosmopolitismo de las grandes urbes, que muestran la dialéctica entre la reacción y la vanguardia, entre los viejos usos y las reivindicaciones sociales y políticas del mundo previo a la Primera Guerra Mundial.

Carmen Moreno pretende abordar los distintos aspectos que, en conexión, convergieron en el desarrollo de la monarquía en sus últimos cincuenta años de existencia. La idea es aproximarse a esas distintas esferas –geopolítica, geoeconómica, geocultural– para plantear un relato que recoja la complejidad de la realidad austrohúngara en el período. El objetivo se establece, por tanto, no sólo en analizar las distintas facetas de esa realidad, sino especialmente en interrogarse acerca de las conexiones que se establecen entre ellas.

Razones para comprar la obra:

- *Es una obra que explica la monarquía de los Habsburgo desde una óptica integradora. La autora ofrece una panorámica global (social, económica, política,...) basando esta monografía en el estudio de numerosas fuentes bibliográficas.*
- Obra profusamente ilustrada con fotografías de personajes, eventos narrados en la obra, reproducciones de obras de arte e ilustraciones y gráficos que ayudan a contextualizar y comprender la monarquía Austrohúngara.
- La autora utiliza un enfoque novedoso, puesto que inscribe los procesos del Imperio en las dinámicas transnacionales del periodo, es decir, explica el Imperio teniendo en cuenta los acontecimientos mundiales de la época (periodo Pre-Guerras.)
- Hay muy poca bibliografía sobre el tema publicada en español. La obra se convierte en una monografía de obligada lectura para todos los aficionados por la Historia.

Una obra que explora el continuo proceso de declive de la monarquía que conducirá irremediabilmente a su ruptura y aborde la complejidad de las relaciones y los procesos que se desarrollaron entre las fronteras del Imperio.
