Soulfire: New World Order #3 (of 5) (Soulfire: New World Order Vol. 1) J.T. Krul

Magic flourishes once again. Unbelievable power courses through the lands... and A NEW WORLD ORDER is at hand. An epic story about the future of humans surviving in a world of magic, steering towards their own salvation-- or doom. The next exciting chapter of the SOULFIRE mythos continues here as a host of new characters, and a few familiar ones, chart a course through the dark and undiscovered futuristic landscape of the planet. In this issue, hell breaks loose as Cruz and his posse square off against Erich and the skinheads in an all-out gang war! While Cruz once again proves his loyalty to his roots, and the street way of life, the same cannot be said for his deceptive cousin, Manny. Meanwhile, Cole shockingly makes a 'deep' discovery about how Blackjack and Saxon have been able to track him so easily, and he takes out his aggression the only way he knows how-viciously and violently! Yet, even his sadistic measures will not be enough to take on Rainier's newest deadly weapon, as well as his grand scheme to annihilate all of the resurfaced beings of magic! Brought to you by the acclaimed international art team of Francisco Herrera and Leonardo Olea, with words provided by scribe J. T. Krul, SOULFIRE: NEW WORLD ORDER will leave you clamoring for more!
