The Secrets of Marital Bliss Tanushree Podder, Ajoy Podder

Research shows that happily married persons live longer than the single ones. And couples in a happy marriage have a healthy constitution, mentally, emotionally and physically. Despite such facts, separations and divorces are rising every year. If happy marriages ensure fulfilment and a sense of security, shouldn't couples be working towards strengthening their marriages? Research indicates that the most successful Indians around the globe have succeeded because of strong family values and support systems.
