## **Amsterdam: A Novel** Ian Mcewan

On a chilly February day, two old friends meet in the throng outside a London crematorium to pay their last respects to Molly Lane. Both Clive Linley and Vernon Halliday had been Molly's lovers in the days before they reached their current eminence: Clive is Britain's most successful modern composer, and Vernon is editor of the newspaper *The Judge*. Gorgeous, feisty Molly had other lovers, too, notably Julian Garmony, Foreign Secretary, a notorious right-winger tipped to be the next prime minister.

In the days that follow Molly's funeral, Clive and Vernon will make a pact with consequences that neither could have foreseen. Each will make a disastrous moral decision, their friendship will be tested to its limits, and Julian Garmony will be fighting for his political life. A sharp contemporary morality tale, cleverly disguised as a comic novel, **Amsterdam** is "as sheerly enjoyable a book as one is likely to pick up this year" (*The Washington Post Book World*).

*From the Trade Paperback edition.*
