Apophthegmata: (Collected Works of Erasmus)

Apophthegmata: (Collected Works of Erasmus)

Assembled for the young Prince William of Cleves, Erasmus' *Apophthegmata* consists of thousands of sayings and anecdotes collected from Greek and Latin literature for the moral education of the future ruler. Betty I. Knott and Elaine Fantham's annotated translation of the aphorisms and Erasmus' commentary on them makes this once popular literary and educational text accessible to modern audiences. The introduction discusses the origins of the *Apophthegmata*, the contents of the collection, and Erasmus' sources.
