## **Conquering Horse, Second Edition (A Bison Classic)** Frederick Manfred

High on a remote butte, a young Sioux waits. Though daring in battle, skillful, and strong, he cannot be a man until his spiritual vision comes. When it appears, he must interpret it correctly to know who he is, and he must deserve it or continue to be called No Name.

No Name has his vision, a glowing white mare who walks among the stars. She tells No Name his destiny and how to achieve it. He must pass through hostile camps, storm, and fire, risking his life many times to become Conquering Horse, chief of the Sioux.

*Conquering Horse* is the first of Frederick Manfred's five-volume series, The Buckskin Man Tales.
