Human Rights vs. Gay Rights: Which Should We Promote? David Kissi Omari

Indeed we have a responsibility to educate others on their human rights and freedoms as well as respect them. We can only do this when we first educate ourselves on the subject so we can teach others. In this book, the author does a fine job by helping us learn the thirty human rights of all mankind and the need to respect them. In fact, the book makes us to understand that we are all entitled to all the thirty human rights because we are humans not due to our sexual orientation. He has also helped us to understand to some extent how homosexuality develops and some signs to spot for homosexual proclivities. He has also done a tremendous work of showing us God's (Allah) position on homosexuality by making references from both the Holy Bible and the noble Qur'an. If we need the right answer to the question, Human rights versus gay rights: which should we promote? then this book is a must read.
