“If you are curious and open to the life around you, if you are troubled as to why, how and by whom political power is held and used, if you sense there must be good intellectual reasons for your unease, if your curiosity and openness drive you toward wishing to act with others, to ‘do something,’ you already have much in common with the writers of the three essays in this book.” — **Adrienne Rich**

With a preface by Adrienne Rich, *Manifesto* presents the radical vision of four famous young rebels: Marx and Engels’ *Communist Manifesto*, Rosa Luxemburg’s *Reform or Revolution* and Che Guevara’s *Socialism and Humanity*.
