Maria Theresa

George Upton

Maria Theresa George Upton

Among the famous queens of the world—Catharine II of Russia, Elizabeth, Anne Boleyn, and Victoria of England, Mary Queen of Scots, Isabella of Spain, Louise of Prussia, Marie Antoinette, Marie and Catharine di Medici of France, and others, Maria Theresa of Austria holds a conspicuous place. In statesmanship and patriotism she ranks with Elizabeth and Catharine. As Catharine greatly improved the administration of her Empire, introduced new laws and extended its frontiers, and as Elizabeth's reign was characterized by great commercial enterprises and extraordinary intellectual activity, so the reign of Maria Theresa, though she was engaged for years in two great wars,—that of the War of the Austrian Succession and the Seven Years' War with Frederick for the recovery of Silesia, which he had taken from her,—proved to be of the highest benefit to Austria in the strengthening of law and the introduction of needed reforms and wise measures for the welfare of the Empire.

Nisyros Publishers has a proud history of publishing high quality and rare titles.
