In a city loved by many while understood by few, Sarah finds her New Orleans office in the center of a terrorist threat just weeks away from the national championship football game. As game day approaches and more clues point to the mastermind behind the operation, she works with a variety of interesting players to find out who is trying to carry out the threat - and why.

Using technology that could be employed in domestic security today, the author has created a modern page-turning thriller. What could easily be a realistic historical account is in fact a novel flavored with excitement yet balanced with enough eye-opening reality to entertain readers. Enjoy this page-turner while vacationing on the beach or nestled in front of the fire - it's sure to keep you interested.
