Ana Raquel Portugal

O ayllu andino nas crônicas quincentistas (Portuguese Edition) Ana Raquel Portugal

Neste livro são analisadas as representações do ayllu da América andina a partir dos dados históricos e etnográficos encontrados nas crônicas indígenas e espanholas do século XVI. O ayllu pré-hispânico era um grupo ligado por sistema de parentesco que mantinha relações de reciprocidade produtiva para subsistência de seus integrantes. No período colonial, ele adquiriu um caráter primordialmente territorial com a finalidade de armazenar mão-de-obra, passando a ser representado como uma organização medieval européia. Ao desfazer alguns equívocos historiográficos sobre o assunto, esta obra contribui para o conhecimento da História colonial da América Hispânica.
