## Optimism Sounds Exhausting (Dilbert) Scott Adams

Dilbert, the cubicle-dwelling drone, is at his satirical best with this new collection of cartoons. *Dilbert* has managed to keep up with technology like iPads and Twitter over the years, as well as advanced systems like the Disaster Preparedness Plan that has its followers eating the crumbs from their keyboards. It doesn't get any more sophisticated than that.

It's an office code violation to be this good after so many years, but Dilbert keeps doing what he does best: passive-aggressively out-witting his superiors and exercising conflict avoidance. And he is *so* good. No wonder office drones and workforce automatons alike can't resist the cold embrace of Dilbert's workplace.
