Pathfinder Tales: Liar's Blade Tim Pratt

With strength, wit, rakish charm, and a talking sword named Hrym, Rodrick has all the makings of a classic hero - except for the conscience. Instead, he and Hrym live a high life as scoundrels, pulling cons and parting the weak from their gold. When a mysterious woman invites them along on a quest into the frozen north in pursuit of a legendary artifact, it seems like a prime opportunity to make some easy coin - especially if there's a chance for a double-cross. Along with a hooded priest and a half-elven tracker, the team sets forth into a land of witches, yetis, and ancient magic. As the miles wear on, however, Rodrick's companions begin acting steadily stranger, leading man and sword to wonder what exactly they've gotten themselves into... From Hugo Award-winner Tim Pratt, author of *City of the Fallen Sky*, comes a bold new tale of ice, magic, and questionable morality set in the world of the Pathfinder Roleplaying Game.
