The Courage to do Nothing Bill Flax

Are you fed up with Washington politicizing our economy and bureaucrats more focused on aggrandizing their power than aiding commerce? For many of us, the rhetoric emanating from our government doesn't reflect reality. In *The Courage to do Nothing*, Bill Flax gives a voice to the angry taxpayer articulating our concerns and offering cogent advice to our political leaders. Socialism is inherently flawed, but instead of allowing the free market to function, our politicians employ socialism concealed as compassion. Our cultural elites in Washington, Academia, Media, and Hollywood have built a modern Tower of Babel based on progressive fantasies. Their idealistic pursuit of Utopia is funded by your tax dollars. Socialism is but one pillar in this faulty tower, but it is the pillar du jour and America's future if we don't restore the traditional Christian values and limited government our nation was built upon. At eighteen, Bill Flax enlisted in the Marine Corps to defend the Constitution against all enemies foreign and domestic. It's now clear the gravest threat to our liberty comes from Washington itself. In *The Courage to do Nothing*, Bill interweaves faith, economics and patriotism through fascinating perspectives on the economy and relevant historical examples offering solutions for today's issues. Read *The Courage to do Nothing* to learn economic truths ignored by the cultural elites determined to change America into a European-style socialist boondoggle. Bill Flax provides the economic answers America needs to restore prosperity and liberty before it's too late. This book is essential reading for anyone desiring to understand how Washington's policies created and now prolong our economic turmoil. Learn the truth and the keys to restoring America.
