Whispers of Moonlight (Rocky Mountain Memories Book 2) Lori Wick

When Travis and Rebecca marry, rumors quickly spread that he has done so only for her dying father's ranch. Confused and convinced that Travis can never truly love her, Rebecca strikes out on her own. She disappears to make a new life for herself in a town far away, but her friends there are few, and life is hard.

When desperate circumstances drive Rebecca home to Travis, she can see the change in the man she left behind. In her absence, he has grown from a rough-hewn cowboy to a confident rancher.

Still, her wounded heart is hesitant. Is she more afraid to love—or to be loved?
