The British have taken chickens arks as they call them, to an art form. But with the US dollar weak against the Euro, who can afford to pay \$1,000.00 or more for a place to keep their chickens? The Catawba Brougham ConvertiCoop chicken coop can be built for significantly less money, and still maintain the look of a piece of fine cabinetry built with relatively few woodworking tools. You don't have to own a "New Yankee Workshop" to build a Catawba Brougham ConvertiCoop that will stop pedestrians and passers-by in their tracks.
