With twelve breathtaking full-color nature photographs—all approved by Greenpeace, all selected to speak to the environmental issues the organization cares so deeply about, all accompanied by detailed, informative captions written by a Greenpeace expert—this is the calendar that brings the wilderness up close. Giraffes and zebras congregating at a Namibian watering hole. The expressive faces of a mother and baby orangutan in a Borneo jungle. Terraced rice fields in Yuanyang, China. Five brilliantly colored macaws sharing a branch in Peru. Each image is an inspiring reminder of what is at stake in preserving the planet's natural treasures.
