L'Italia in breve (Italian Edition) Carl William Brown

L'ITALIA IN BREVE, ovvero tutto il mondo è paese, (with English Quotes), è un libro di aforismi, citazioni, battute e riflessioni sull'Italia e gli Italiani curato da Carl William Brown. Lo scritto presenta una vasta panoramica a livello storico, letterario e sociologico della nostra piccola grande realtà e vuole inoltre essere una modesta metafora sul percorso dell'umanità, che da vari secoli caratterizza il nostro caro pianeta. Il testo dopo alcuni pensieri introduttivi e una prefazione che spiega la genesi, lo stile e gli intenti del libro, presenta un'introduzione che, con l'ausilio di vari dati statistici, illustra in breve l'attuale situazione sociale, politica, economica e culturale del nostro paese. Seguono poi un centinaio di pagine di testi brevi in italiano, corredati da varie immagini dei luoghi più caratteristici della nostra penisola e circa una sessantina di pagine di testi brevi in inglese, allo scopo di fornire alcune notizie storiche e un'ampia carrellata di quello che importanti autori stranieri hanno detto, nel bene e nel male, sull'Italia e gli Italiani. Alla fine si possono trovare dei sintetici omaggi conclusivi e una serie di links a utilissime risorse presenti in rete sulla nostra nazione.
