The Psychology of B F Skinner

William O'Donohue, Kyle E. Ferguson

The Psychology of B F Skinner William O'Donohue, Kyle E. Ferguson

Behaviorists, or more precisely Skinnerians, commonly consider Skinner's work to have been misrepresented, misunderstood, and to some extent defamed. In this book, the author clarifies the work of B F Skinner, and puts it into historical and philosophical context. Though not a biography, the book discusses Skinner himself, in brief. But the bulk of the book illuminates Skinner's contributions to psychology, his philosophy of science, his experimental research program (logical positivism) and the behavioral principles that emerged from it, and applied aspects of his work. It also rebuts criticism of Skinner's work, including radical behaviorism, and discusses key developments by others that have derived from it.

From reader reviews:

Joshua Ricker:

As people who live in the actual modest era should be up-date about what going on or data even knowledge to make these people keep up with the era that is certainly always change and move forward. Some of you maybe will update themselves by looking at books. It is a good choice to suit your needs but the problems coming to you is you don't know what kind you should start with. This The Psychology of B F Skinner is our recommendation to make you keep up with the world. Why, since this book serves what you want and need in this era.

Betty Ahlstrom:

People live in this new day time of lifestyle always aim to and must have the free time or they will get lot of stress from both day to day life and work. So , once we ask do people have extra time, we will say absolutely sure. People is human not only a robot. Then we request again, what kind of activity do you possess when the spare time coming to an individual of course your answer will unlimited right. Then do you try this one, reading textbooks. It can be your alternative in spending your spare time, the actual book you have read is definitely The Psychology of B F Skinner.

Veronica Gregor:

In this time globalization it is important to someone to receive information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information much easier to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You can see that now, a lot of publisher this print many kinds of book. The actual book that recommended to your account is The Psychology of B F Skinner this publication consist a lot of the information on the condition of this world now. This book was represented how do the world has grown up. The vocabulary styles that writer make usage of to explain it is easy to understand. The particular writer made some investigation when he makes this book. This is why this book appropriate all of you.

Alex Miller:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Psychology of B F Skinner can make you feel more interested to read.
